

HAPPY HALLOWEEN

Have fun and be safe while trick-or-treating!

- Young trick-or-treaters need to be accompanied by an adult. If kids go out on their own, be sure they know where an adult will be, how to get a hold of an adult, and make sure kids know what time to be home.
- Trick-or-treat in familiar neighborhoods and stay in areas with a lot of other people around.
- Only approach houses that are lit and never go into a house for candy.
- Teach kids basic safety tips: stay on the sidewalk, look both ways before crossing the street, obey traffic signals, don't talk to strangers, etc.
- Costume colors should be light or have reflective tape on them. This makes trick-or-treaters more visible to traffic.
- Carry a flashlight if it's dark so you can see where you are going.
